

ITI – MECHANICAL (2 YEAR TRADE)

(Applicable for trades like Fitter / Turner / Machinist – Common Structure)

- Course Duration: 2 Years (4 Semesters)**
 - Course Type: ITI / NCVT Trade**
 - Eligibility: 10th Pass**
-

SEMESTER – I

Subject Code	Subject Name
IM-101	Trade Theory – I (Basic Mechanical)
IM-102	Trade Practical – I
IM-103	Engineering Drawing – I
IM-104	Workshop Calculation & Science – I
IM-105	Employability Skills – I

SEMESTER – II

Subject Code	Subject Name
IM-201	Trade Theory – II
IM-202	Trade Practical – II
IM-203	Engineering Drawing – II
IM-204	Workshop Calculation & Science – II
IM-205	Employability Skills – II

SEMESTER – III

Subject Code	Subject Name
IM-301	Trade Theory – III (Advanced Mechanical)

Subject Code	Subject Name
IM-302	Trade Practical – III
IM-303	Engineering Drawing – III
IM-304	Workshop Calculation & Science – III
IM-305	Employability Skills – III

SEMESTER – IV

Subject Code	Subject Name
IM-401	Trade Theory – IV
IM-402	Trade Practical – IV
IM-403	Engineering Drawing – IV
IM-404	Workshop Calculation & Science – IV
IM-405	Employability Skills – IV
IM-406	Project Work / Industrial Training
